(Windows 10 Recommended – Full Home or Pro Version, not Windows S)

- 11.6 inch screen (1366x768 resolution minimum)
- 320Gb HDD or 256Gb SSD Min
- 4 GB RAM (or 8 Gb if taking Visual Communications / Photography)
- Intel i5/i7 processor
- Dedicated graphics card (if taking Visual Communications / Photography)
- Wireless a/b/g/n (must be dual band 2.4/5.0 Ghz)
- At least 8 Hour battery life
- Recommended: Hard cover protective case/carry bag
- Recommended: 3 year warranty / Insurance

While we do not recommend Apple Laptops, we will allow them to be used at school with the following note : the school will connect them to wifi / internet and printing, but will provide no software or hardware support/troubleshooting.

The School **will not** allow any of the following devices/operating systems; iPads, Android, Chrome books, Linux, WinXP/7.

NOTE :

You will NOT need to purchase any anti-virus software – we can provide this at school

You will NOT need to purchase Office Suite (Word / Excel), Adobe or similar – we can provide this at school
