Dear Parent/Guardian,

We are looking forward to another great year of teaching and learning in 2024. As per changes to the Parent Payments Policy, we would like to advise you of Korumburra Secondary College's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can provide appropriate materials for practical subjects and offer the best possible education and support for our students.

Your financial contributions allow us to:

- Offer a wide range of subjects and experiences for students across all year levels.
- Provide books and materials for electives (e.g. Food, Woodwork, Textiles etc)
- Run incursions.
- Give students access online resources/tools.
- Provide IT support.

In 2024 we will run more Food Technology and Woodwork classes than ever before. With this in mind, it is particularly important that parents consider the voluntary financial contributions to allow us to provide the necessary materials for these subjects.

Please find below Korumburra Secondary College's voluntary financial contributions schedule for 2024.

Department of Education guidelines now mandate that schools are UNABLE to provide parents with a statement of fees. Parents are asked to please review the recommended voluntary financial contributions schedule below for an indication of contributions for your child/ren.

For further information on the Department's Parent Payment's Policy please see a one-page overview attached.

Yours sincerely,
